HERSHEY CC – EAST & WEST

EAST COURSE

Designed by George Fazio in 1969, the East Course captures the beauty of Central Pennsylvania's countryside at each and every hole. As the longest and most challenging course, the East Course remains a favorite for golfers of the highest skill level. Players will enjoy elevated greens, three sparkling lakes, and more than 100 bunkers through which to maneuver.

WEST COURSE

Tee off at the West Course at Hershey Country Club – a traditional 18-hole course – that golfers of all skill levels and ages can enjoy! Designed by Maurice McCarthy in 1930, the West Course is a traditional, yet ever-enjoyable course. Enjoy sweet, bird's-eye views of the town of Hershey as you play your way through a leisurely day of golf. The West Course requires all 14 clubs, making it great practice for golfers of all skill levels.
